Very large offerings of exchange are reported, and it is no unusual thing for buyers to negotiate for covering 300 to 500 bales at a single purchase. A very large proportion of this money goes to the planter, and is taken home to be laid away for the future, withdrawing for the time being at least that amount from active circulation. JEANS AND TWEEDS. THE BEST STOCK IN MEMPHIS,

Schledam, Holland, expressly for medicinal use.

It is now some twenty years since the proprietor first introduced it to the Américan public, and during that time he has received over three thousand letters from physicians, indorsing it as the purest liquor they have ever used in their practice.

It is made from harley of the finest quality, selected with great care from the products of the most celebrated grain-growing districts, is favorast with the ossence of the aromatic juniper-berry of Italy, and is rectified by a peculiar process, which expels from the spirit every acrid particle.

As a means of preventing and correcting the disagreeable and often dangerous effect produced upon the stomach and bowels by a change of water-a visitablion to which travelers, new settlers, and all unacclimated persons in the West, the Bouth, and Southwest are peculiarly liable—the postuciant Aronaxio Schnapes will be found absolutely infailible; while in osses of drop-y, gravel, obstructions of the kidners, diseases of the bladder, stricture, dyspepsia and gueeral debility, it is recommended most emphatically by the most distinguished members of the melical profession.

It is put up in quart and pint bottles, in cases, with the name of the undersigned on the bottle and oack, and a facaintile of his signature on the labels. For sale by all respectable druggists and country merchants. Sole Manufactreur and imPorter.

The inconvenience and delays heretofore existing will be obviated by this arrangement, and we are satisfied will prove of GREAT IMPORTANCE TO MEBURANDS AND SHIP-
